

## VIDA

The Vida® profile offers a sculpted style. The unique, subtle curves add a classic look to this profile which finishes in an uncurving bottom edge. This effect gives the Vida® profile a more substantial appearance, further emulating the look of stone. Our quality post-formed laminate countertops are a cost-effective way to add beauty to your living and work environments.

**Features**

- Sculptured front nose, 1-1/2" thick
- 1/4" cove radius for easy cleaning
